**The Beaumont is ideal for those seeking ample square footage in a duet-style home.**

**The Beaumont brings generous spaces together with thoughtful design**, offering a home that feels welcoming from the moment you step inside. A large great room anchors the plan, connecting seamlessly to the open kitchen and dining area. The private primary suite features a spa-inspired bath with dual vanities and a walk-in closet, while a separate secondary room provides flexibility for guests or personal use. With a dedicated laundry room, formal entryway, and spacious two-car garage, this plan blends comfort and convenience for everyday living.

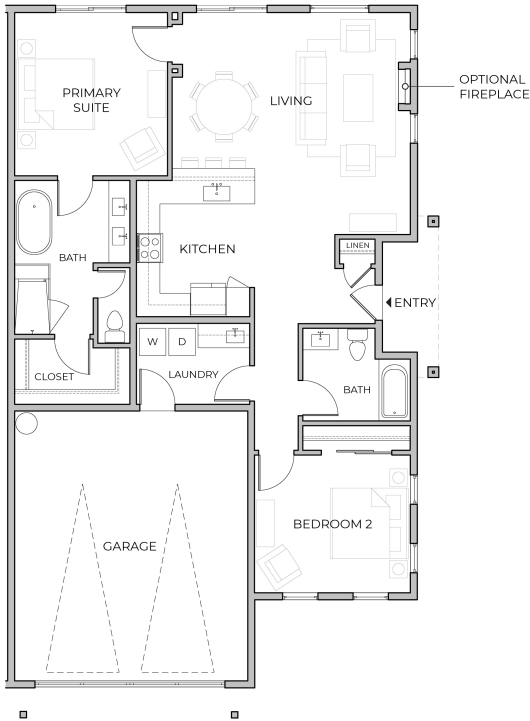

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
