The Rhone is ideal for those seeking abundant square footage and flexibility in a duet-style home.

The Rhone offers two distinct layouts, giving homeowners the flexibility to choose what suits their lifestyle best. Whether you prefer the balance of a primary suite, office, and guest bedroom, or the comfort of two full en-suites, both designs embrace open living, smart storage, and seamless connections to private outdoor space.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
