4 Elevations Available

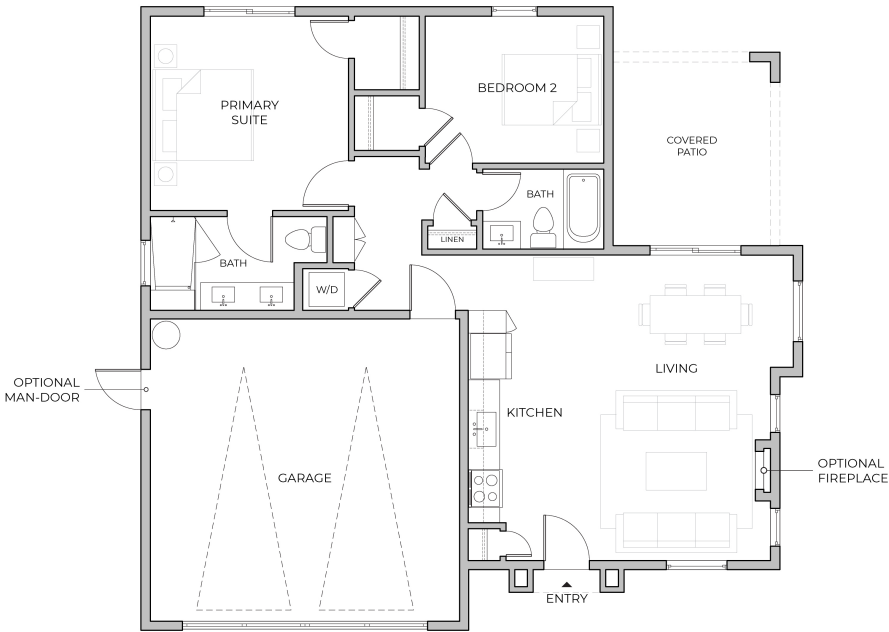

-  **2** Bedrooms
-  **2** Bathrooms
-  **1,033+** Sq. Ft.
-  **2** Car Garage

The Riviera is ideal for those seeking a larger garage and more flexible spaces to suit their lifestyle

The Riviera offers a welcoming balance of openness and comfort. Its great room flows easily into the kitchen and dining area, while the covered patio extends living space outdoors. A private primary suite with direct patio access and a spa-inspired bath creates a personal retreat, complemented by a separate guest bedroom and full bath. Thoughtful details and flexible spaces make this plan as practical as it is inviting.

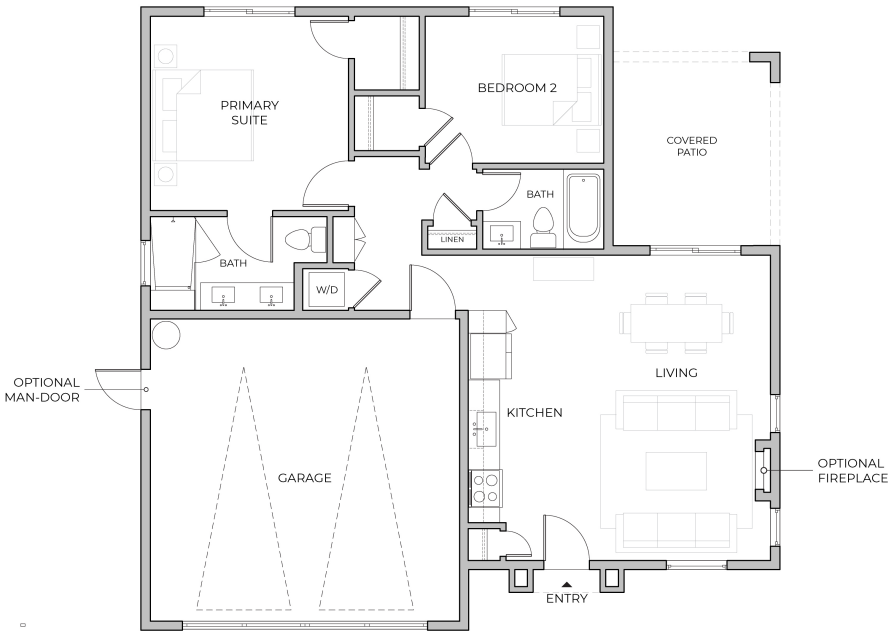

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
