The Adelaida is ideal for those seeking more garage and living space with a dedicated suite for guests or family.

The Adelaida offers exceptional scale with open-concept living spaces, a seamless indoor-outdoor California room, and multiple suites. The generous grounds provide a canvas for crafting your dream wine country backyard.

Preliminary

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
