TEMPLETON RANCH

Welcome to Templeton Ranch

Where the western spirit of outdoor living flourishes.

Built on historic ranch lands of the old West, this vibrant enclave of 107 single-family residences is located in what is now the heart of the Central Coast's world-class wine region. Templeton Ranch is a modern, family-friendly residential development located in Templeton, California, offering a mix of 3-bedroom, 1-2 story homes ranging from 1,263 to 2,312 square feet, often featuring two-car garages.

This community is sold out.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
