Welcome to Vintage Ranch Estates

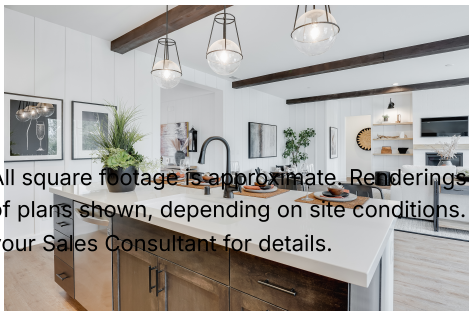

Vintage Ranch is the perfect blend of wine country luxury.

A stunning neighborhood in Orcutt, designed for modern ranch-style living at Vintage Ranch. This new community provides the luxury of spacious, private yards perfect for entertaining, yet is less than 5 minutes from Old Orcutt's up-and-coming boutique restaurants.

Orcutt is about 10 miles from the ocean, less than 5 miles from vineyards, and a 30-minute drive to many famous California beaches and cities. It's a wonderful place to live, and Vintage Ranch is just 2 minutes from the sleepy downtown.

Old Town Orcutt retains the charm of the storied wild west. Its food, wine and beer scene is a burgeoning gourmet spot while still retaining that down-home feeling.
